Hans:

Do you think it appropriate to have them execute confidentiality agreements prior to this meeting?

Even though we may have some confidentiality agreement(s) with Radiant through the TES, I think it would be better to have separate CDAs explicit to the discussions that will take place during this meeting, particularly because the potential exists for discussing PM confidential information related to existing or planned PREPs.

Your thoughts?

FYI, the purpose of this meeting is to discuss long-term clinical studies for risk evaluation. Please let Denise know if you are available or not.

Best regards  
Hans

Dear Hans,

Thank you for the courtesy extended when I called this morning. Dr Davidson is on vacation during the proposed June dates.

I would like to confirm a meeting for the morning of July 24th in Richmond. Both Dr Davidson and I will be able to travel to Richmond on the evening on the 23rd. I would propose we start first thing in the morning (8 AM) to accomplish as much as possible. We will need to fly to Philadelphia for a late afternoon meeting on the 24th.

Please let me know if this date and time will work for your group. I have also attached a copy of Dr Davidson CV for your review.

Kind regards,

*Denise handling*
